

# ANNUAL REPORT 2025

*Making a Difference...  
One Child at a Time*

# A MESSAGE FROM PRESIDENT KEN BEVER

This past year has continued to be extremely challenging for Haitian children and their families. Ongoing instability, violence, and rising food prices have made daily life difficult for many. In these conditions, access to education, nutrition, and healthcare is **more important than ever**.

Despite these challenges, we thank God for the faithful support of our partners. Because of this generosity, the sponsorship program continues to grow, and we are making strong progress in the fifth year of Project Hope, our ten-year initiative to strengthen education, healthcare, nutrition, orphan care, and spiritual training.

HFHC remains locally operated by trusted Haitian Christian leaders working alongside our U.S. team. Together we support ten Christian schools, the Cazeau Christian Orphanage, Camp Hope, and a growing healthcare program—serving more than 4,400 children with education, daily meals, medical care, and spiritual guidance.

We are also thankful that Charity Navigator, the leading U.S. nonprofit rating agency, has awarded HFHC its highest 4-star rating for the 13th consecutive year. In 2025, the ministry also received top recognition for transparency and effectiveness from Excellence in Giving, Great Nonprofits, and GuideStar, and we continue to maintain accreditation with ECFA, a community of churches and ministries committed to the highest standards of integrity. Since 2002, an average of 88 cents of every dollar donated has been used for programs directly serving children in Haiti.

As we enter our 31st year, **we are grateful to see students growing into capable leaders and thankful for the steadfast partnership that makes this life-giving work possible.**

*Ken Bever*  
Founder & President

## MISSION STATEMENT

*To demonstrate Christian compassion to poverty-bound Haitian children, providing opportunities for these children to become leaders in their homes, churches, and communities.*

*Charity Navigator is the largest evaluator of charities in the US, providing insights into a nonprofit's stability, best practices, and results reporting.*

*The Evangelical Council for Financial Accountability (ECFA) promotes the highest standards of financial integrity, transparency, and accountability among Christian nonprofit organizations.*

# FINANCIAL OVERVIEW

Hope for Haiti's Children (HFHC) is committed to the careful and prayerful stewardship of every gift entrusted to us. We work diligently to keep administrative costs low so that the greatest possible portion of each dollar goes directly toward serving children in Haiti. HFHC operates with a strong commitment to integrity and transparency at every level of the organization. In recognition of this commitment, HFHC has earned Charity Navigator's 4-star rating for the 13th consecutive year and received top honors in 2025 from Excellence in Giving, Great Nonprofits, and GuideStar for financial transparency and accountability.

# CHRISTIAN EDUCATION

HFHC supports student education by partnering with ten locally owned and operated Christian schools across Haiti. Through generous sponsors, 2,476 children attend one of 10 Christian schools serving more than 4,400 students in partnership with local Churches of Christ. In 2025, 408 new children were enrolled in the sponsorship program. Sponsorship support extends beyond tuition to include school uniforms, backpacks, supplies, a year-end gift, and access to health care.

Strong academic outcomes were achieved across all schools, with 98% of students passing the national 9th grade exam, exceeding the national average of 88.7%. The ministry also invested in educator development, with 82 teachers and school leaders participating in a Teacher Training Workshop led by P4H Global. Additionally, 84 teachers received new desks, and all schools were equipped with new benches and desks. Through consistent support, children are surrounded by care, stability, and opportunity, helping equip the next generation with dignity, purpose, and hope.

**3,746**

Christmas Joy Boxes packed by 41 churches and 1 organization

# ORPHAN CARE

HFHC oversees ongoing operational support for the Cazeau Christian Orphanage, which provides a stable, nurturing home for 58 children at the Cazeau Orphanage in Port-au-Prince, offering nutritious meals, safe housing, clothing, medical care, and a supportive family environment. Dedicated Haitian caretakers provide daily guidance and stability, helping each child recognize their God-given abilities and lasting value. As they grow, many pursue opportunities to develop practical skills through classes in sewing, baking, computer technology, and English.

Facility improvements enhanced daily living conditions with new mattresses, bedding, kitchen equipment, and updated flooring in the children's bedrooms and dining hall. A new guard house was also built to support on-site security. Children continue developing practical skills in sewing, baking, gardening, computer skills, and English. In 2025, 18 young adults participated in post-secondary training, with seven earning degrees or certifications in Information Technology, Nursing, and Culinary Arts.

**18**

teens participated in training programs to equip them with skills for independent living

**58**

children received a new mattress

# INFIRMERIE

New Nurses' Office at the Cite Soleil Christian School

## HEALTH CARE

As part of the Child Sponsorship program, each child receives an annual medical exam each spring. Throughout the year, school nurses stationed at all HFHC partner schools address daily health needs and provide basic health education in the classroom. In 2025, HFHC nurses managed 294 children needing significant medical, vision, or dental care -- including 19 children with a life-threatening illness or injury requiring hospitalization or surgery. To strengthen on-campus care, new nurse offices were built at two schools, providing private, dedicated spaces for treatment during the school day. When additional care is required, children are referred to local medical clinics.

**2,015**

children examined at the Annual Child Care Clinic

**10**

school nurses received a nursing kit and clinic supplies

## FOOD AND WATER

In response to the overwhelming need for adequate nutrition, HFHC provided more than 830,118 meals throughout the year, ensuring over 4,400 children received a hot, nutritious lunch. To further support student well-being, access to clean water was expanded by installing water purification systems at two schools and upgrading rooftop rainwater catchment systems at three schools. HFHC extended support beyond the classroom during times of crisis in 2025, with more than 600 families receiving assistance to help them navigate critical periods of hardship.

Camp Hope 2025 campers won awards in service and leadership

# SPIRITUAL TRAINING

With Christian values at the heart of our mission, we remain committed to providing every student with a strong Biblical foundation and meaningful discipleship opportunities. Throughout the year, Spiritual Directors at each school lead Bible classes and intentionally weave faith formation into daily learning, nurturing the spiritual growth of every child we serve.

In 2025, Camp Hope welcomed more than 160 students to a Christ-centered leadership and spiritual development experience. Through games, shared meals, and meaningful Bible lessons, students found joy, encouragement, and a safe refuge from the unrest affecting their communities. Now in its 23rd year, Camp Hope remains a cherished gathering place where students feel secure, valued, and spiritually renewed.

# 2025 ENROLLMENT AT HFHC CHRISTIAN SCHOOLS

HFHC supports 10 Christian schools in Haiti by paying the monthly tuition for children in our sponsorship program who attend school and through grants for capital improvement projects.
