YEARS OF HOPE

Making a Difference...One Child at a Time

Celebrating three decades of Christian education, healthcare,
orphan care, and spiritual growth

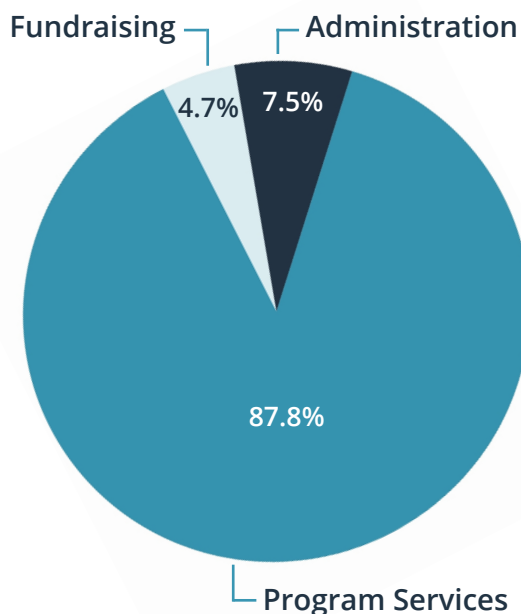

www.hopeforhaitischildren.org

Since 1995, Hope for Haiti's Children has partnered with thousands of individuals, churches, and foundations to carry out this one mission: to demonstrate Christian compassion to poverty-bound Haitian children and their families, providing opportunities for these children to become leaders in their homes, churches, and communities. **What began with a single visit and 13 sponsored children has grown into a thriving ministry serving thousands across the country.**

As you explore the following pages, you'll see the incredible impact made possible by faithful supporters, dedicated Haitian staff, and God's unshakable provision. From growing our child sponsorship program to launching Project Hope, from expanding healthcare and orphan care to delivering tens of thousands of Joy Boxes—every step reflects our unwavering commitment to raise up the next generation of Christian leaders in Haiti.

You'll find powerful stories, spiritual milestones, and inspiring numbers that reveal the fruit of seeds planted decades ago. **Together, we celebrate what God has done—and look forward with great expectation to what He will do in the years ahead.**

Average Allocation of Expenses 2002-2024

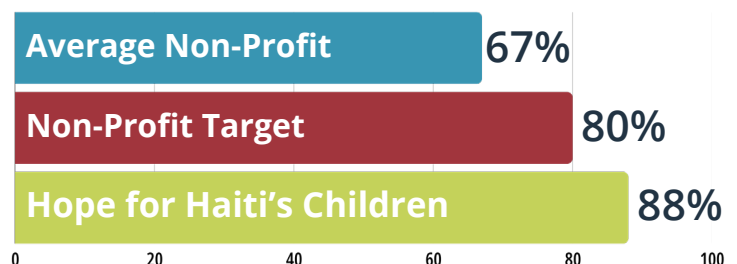

Cumulative Impact

Because of our generous supporters, **over forty million** dollars has been directed to Haitian children's programs and services since 2002.

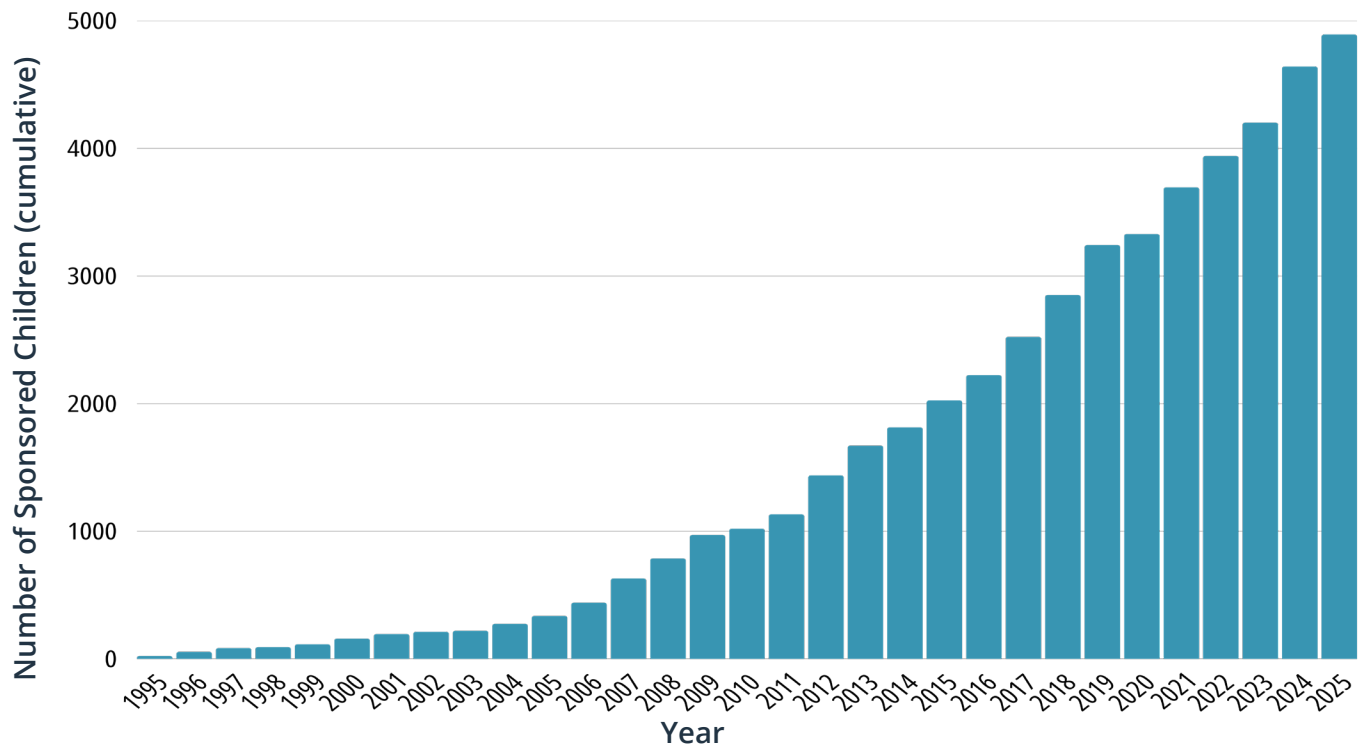

Mission Focused

Hope for Haiti's Children is committed to maximizing every dollar to directly benefit children in Haiti. While the average nonprofit spends only 67 cents of every dollar on actual program services, HFHC has consistently exceeded that standard. From 2005 to 2022, an **average of 88 cents of every dollar** went directly to program services—well above industry standards. That means more resources going where they matter most: to transform the lives of children in Haiti.

From One Child to Thousands

Nearly 5,000 children have been a part of our sponsorship ministry since it began in 1995. Together, we're shaping brighter futures!

Feeding Hope, Fueling Education

School meals have grown from 310 in 2014 to over 4,500 in 2025—fighting hunger and fueling learning. These meals are often a child's only reliable source of nutrition.

A Box Full of Joy

Each Joy Box brings a message of love and hope. In 2023, a record 3,877 boxes were delivered—filled with toys, school supplies, and care. This growing effort continues to bless thousands of children each Christmas.

Consistent Care, Lasting Love

Since 1997, HFHC has provided Christ-centered care for a total of 164 orphaned children—offering shelter, education, and spiritual support. This ongoing care fosters healing, stability, and faithful leadership.

Spiritual Seeds Taking Root

Over 30 years, spiritual seeds have taken root—resulting in 641 baptisms through Camp Hope, Bible classes, and daily Christian teaching. Each one represents a life transformed and a step toward a Christ-centered future for Haiti.

30 YEARS OF HOPE: Transforming Lives in Haiti (1995–2025)

Faces of Hope: Lives Transformed Through Sponsorship

Behind every statistic is a story. These are the journeys of students whose lives have been transformed through Hope for Haiti's Children—through education, orphan care, and vocational training.

Their stories reflect more than success—they show seeds of hope growing into faith, leadership, and lasting change. This is the impact of your support.

Since entering the Cazeau Christian Orphanage at age 9, **Louslande Dorcely** has overcome many challenges and worked hard to achieve her dreams. She excelled academically and graduated high school at the top of her class. In 2017, she completed nursing school and now serves as the HFHC school nurse at the Cazeau Christian Orphanage. A dedicated mother of three, Louslande continues to give back with compassion and strength.

Jacob Luisius came to the Cazeau Christian Orphanage after being orphaned at just 3 years old. A bright and dedicated student, Jacob excelled academically and spiritually. After graduating high school, he pursued ministry training and earned his degree from the four-year Delmas Theological Seminary in December 2021. Today, Jacob serves as the Spiritual Director at the Cazeau Christian School and as the Youth Outreach Minister at the Cazeau Church of Christ—faithfully pouring into the lives of children growing up where his own journey began.

Jean Rony Pierre joined HFHC's Child Sponsorship Program at age 6 and attended Camp Hope for 10 years, where he was baptized by his father and received the Outstanding Leadership Award. After high school, he began studying Education Science—but just months later, he tragically lost his father, the principal of Hinche Christian School. Jean Rony stepped into the role of principal while completing preacher training and now works toward his Master's in Education. A gifted leader and mentor, he married in 2022 and continues to serve with unwavering faith and purpose.

Junior Pierre-Antoine grew up at the Cazeau Christian Orphanage, where a sewing class sparked a lifelong passion. His talent led him to Haiti's prestigious Haute Couture design school, and after graduating, he returned to teach at the orphanage. Today, he runs Junior Fashion Shop and designs uniforms for HFHC schools—a powerful reminder of how faith and opportunity can transform a life and inspire others.

These are just a few stories of lives changed through Hope for Haiti's Children. Once without hope, **these children are now becoming Christian leaders**—preachers, teachers, nurses, doctors, mothers and fathers.
