

ANNUAL REPORT 2014

As we enter our 20th year of ministry, thank you for partnering with us to transform the lives of children in Haiti — and to share in the joy of seeing them become outstanding leaders for tomorrow! We remain intent on efficiently utilizing all donations we receive. In recognition of our efforts, we were honored to earn the highest possible rating from both leading independent charity evaluators — Charity Navigator and GuideStar.

Blessings,
Ken Bever
Ken Bever, President

2014

Our Mission

To demonstrate Christian compassion to poverty-bound Haitian children and their families, providing opportunities for these children to become outstanding leaders in their homes, churches, and communities.

PROGRAMS

Nurturing

Providing for the Physical Needs of Orphans and At-risk Children and Families

Orphan Care Ministry: Hope for Haiti's Children cares for 84 children at two Christian Orphanages through Orphan Care and Daily Bread Sponsorships. These are true homes for the children—not only providing the necessities of food, clothing, housing, and medical care, but also providing a loving family.

2014 Highlights:

Cazeau Christian Orphanage — *Port-au-Prince, Haiti*

- Expanded the exterior gate and paved the drive leading to the orphanage. This enabled drivers of the HFHC school bus and water trucks to have easy access to the orphanage
- Repaired the plumbing and the septic system for the children's dormitory
- Took field trips with the children including a trip to the ocean and a visit to a local museum to learn about Haiti's history with sugar cane
- Painted the outside of the children's dormitory

Thomazeau Christian Orphanage — *Thomazeau, Haiti*

- Installed new playground equipment with slides, monkey bars, and swings; added a basketball court
- Added showers to the children's dormitory
- Took field trips to the ocean and local market
- Painted the inside and outside of the children's dormitory with murals

In addition to providing for the needs of our orphans, all of the children in HFHC's programs are cared for through these important programs:

Joy Box Program: Members from 24 congregations organized projects to pack and send more than 1,700 joy boxes to the children for Christmas.

School Lunch Program: Three schools (Cite Soleil, Cazeau and Thomazeau) had school lunch programs, for many, the only full meal they would eat that day.

Mission Trips: In 2014, over 150 volunteers throughout the U.S. gave of their time and talents to serve over 1,700 children through missions. Medical needs were met by the medical team at the Annual Child Care Clinic. Spiritual needs were met through VBS programs and the Christian Leadership Youth Camp. The HFHC Hope Center Mission House provided the facility for summer teams to assist in projects at our Hope Center.

Non-Cash Donations: Generous supporters willingly donated their time, services and goods, to assist us in this ministry. HFHC received rice, beans, school supplies, hand-sewn bags, hygiene items, and soccer balls. The Northeast Church of Christ continued to donate office space for use by HFHC's U.S. staff.

Making a Difference . . . One Child at a Time

Educating

Sponsoring Children's Education & Strengthening Schools

Education Sponsorship Ministry: Through the HFHC education sponsorship program, children have the opportunity to break the cycle of poverty. By working with local Haitian Churches of Christ and their leaders, children are receiving a quality Christian education. HFHC supports ten Christian school facilities. In 2014, HFHC:

- Added 144 children to the child education sponsorship program
- Held a teacher and principal training workshop with the assistance of an American volunteer team of educators
- Constructed new benches for all ten schools
- Purchased a truck to assist with orphanage activities and all operations in Haiti, as well as, to transport children to clinics
- Built a central office for our Haiti NGO at the Cazeau Christian Orphanage

Rebuilding Hope 2020 Infrastructure Ministry:

- Painted the exterior walls and added bright murals (Cite Soleil)
- Repaired the piping to restore the connection to city water (Cite Soleil)
- Built three Kindergarten classrooms to replace dilapidated rooms (Cazeau)
- Built new roof for the 7th and 8th grade classrooms (Dubuisson)
- Dug well to provide water for school children and church members (Pageste)
- Expanded by building the 2nd Grade classroom (Thomazeau)
- Cleared the land to prepare for the construction of the pavilion (Thomazeau)

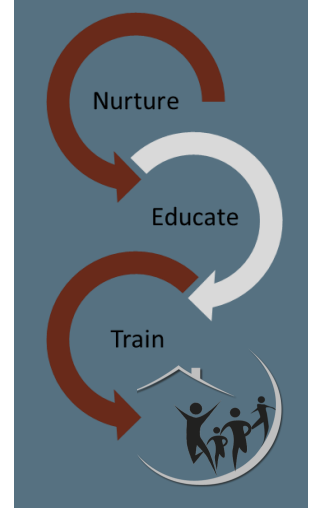

Training

Providing After School Clubs, Vocational Training, and Christian Camps

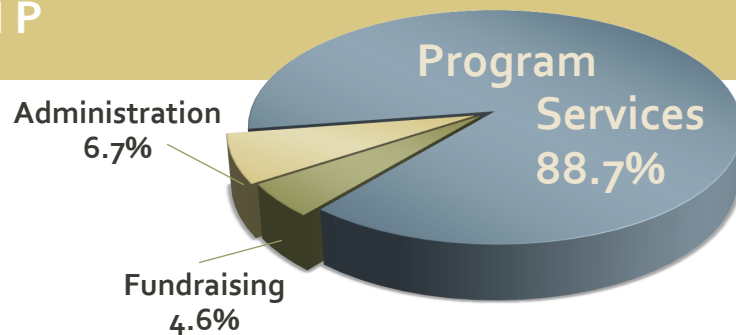

Training programs in 2014 further developed youth's leadership skills and encouraged students to grow deeper in their relationship with Christ. Training programs included:

- Christian Leadership Youth Camp to give our sponsored teens, ages 13-17, a time to have fun playing sports, making crafts and focusing on spiritual growth, family and marriage, and Christian values/ethics.
- After-school Computer Clubs (Cazeau and Delmas schools)
- Beginning English after-school classes for the children at our orphanages
- Vacation Bible School Programs for children in the Thomazeau community
- Post-secondary opportunities for students to gain skills in the areas of nursing, English, and computer networking.

FINANCIAL STEWARDSHIP

In 2014, Charity Navigator, America's largest independent evaluator of charities, recognized Hope for Haiti's Children as a 4-star charity - the highest rating possible! A 4-star rating is earned by organizations which maintain an efficient stewardship of donations and a strong commitment to accuracy in accounting and transparency.
