

2016 ANNUAL REPORT

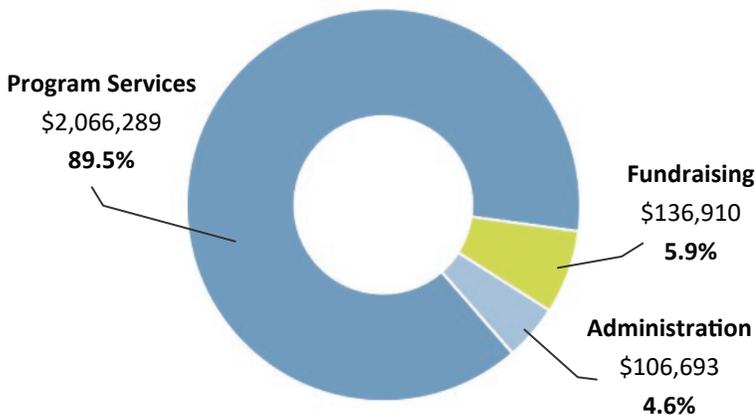

Making a Difference... One Child at a Time

Message from the President, Ken Bever

This past year our outreach ministry to children in Haiti was blessed with a significant growth in partners. This enabled us to expand our sponsorship ministry as well as complete major capital projects at our Thomazeau orphanage and at several of our Christian schools. Our Rebuilding Hope 2020 initiative reached our goal of \$3 million raised since 2011 on our way to our target of \$5 million. In response to the devastation caused by Hurricane Matthew during the last quarter of 2016, we focused on responding to the immediate needs for food and shelter of those directly impacted by the massive storm. The rebuilding of schools and homes from these reserved funds is continuing into the first half of 2017. As this report details, we are reaching out broader and deeper in caring, educating, and training our promising children who are trapped in deepest poverty. Many thanks to all our supporters, dedicated staff, and volunteers who have helped us bring hope to so many!

HFHC assists in the education of elementary and secondary students by partnering with locally-owned and operated Christian schools. Providing the “backbone” of tuition for a school to retain quality teachers, HFHC’s child education sponsorship ministry pairs a needy child with a caring sponsor. Additionally, HFHC funds vital capital projects to enhance the learning environment of each school.

HFHC supports after-school enrichment classes, vocational training programs, and Christian camp experiences to deepen students' knowledge base and life skills.
