

# 2017 ANNUAL REPORT

Thomazeau Hope Center

*Making a Difference... One Child at a Time*

*Message from the President, Ken Bever*

*This past year all our ministries to marginalized children in Haiti were blessed with significant growth and we were excited to see many of our sponsored young people taking leadership roles in their communities. Thanks to vital partnerships with other organizations, our school lunch efforts expanded to five schools to feed over 1,000 children each school day. Thanks to our Rebuilding Hope partners, we reached the \$4 million mark toward our target of \$5 million by 2020. These funds helped us complete an expanded dormitory for our Thomazeau orphanage, build kitchens and security walls for Christian schools, and construct a water tower for our new Camp Hope facility as seen rising up in the center of the photo on the cover. We continue to make every effort to minimize our overhead costs and work in cooperation with other non-profits in the U.S. and Haiti to maximize each dollar donated.*
