

# ANNUAL REPORT 2018

# A Message from Ken Bever, President

We are very excited for the growth this past year in our outreach efforts to at-risk children in Haiti. We continue to be 100% locally operated by trusted Christian leaders working through local churches. Thanks to our Rebuilding Hope financial partners and food donations from sister organizations, we are now able to serve hot school lunches in all 10 of our sponsored schools. This is already making a difference in student attendance and academic outcomes! Also, for the second year in a row, our ministry was blessed to earn a “Perfect 100” rating by Charity Navigator, the nation’s top non-profit rating agency. Less than one percent of the thousands of charities rated by this agency have earned perfect scores. This honor recognizes organizations who execute their mission in a fiscally responsible way while adhering to good governance and transparency. We are eager to continue expanding our efforts as we witness the transformative power of Christian compassion, education, and training in the lives of Haitian children trapped in deepest poverty.
