

Instructions on Making a Qualified Charitable Distribution (QCD) from your Traditional IRA

If you are 70½ or older and required to take a Required Minimum Distribution (RMD) each year from your traditional IRA, you can make tax-exempt Qualified Charitable Distributions (QCDs) to direct a portion or all of your RMD (up to \$108,000 in 2025) to one or more qualified 501(c)(3) charities.

Step 1: Ideally by December 1, contact your IRA Administrator to notify them of the QCDs you want to make and provide the information about each charity and the amount to donate to each one.

To direct a QCD to HFHC, here is the information your IRA administrator will likely need:

Legal Name of Charity:	Hope for Haiti's Children Ministries, Inc.
Tax ID number (EIN):	31-1811917
Street Address:	12020 Southwick Ln Cincinnati, OH 45241
Mailing Address:	P.O. Box 62329 Cincinnati, OH 45262-0328
Point of Contact at Charity:	Ken Bever, President Phone Number: 866-314-9330 ext. 7 Email: ken@hopeforhaitischildren.org

Step 2: Notify us by email of the gift.

We would appreciate acknowledging your QCD gift. Please email or call Ken Bever at ken@hopeforhaitischildren.org with the following:

Donor's full name
Donor's complete address
Amount of Donation
Approximate Date when QCD check will be mailed

Additional Information

We must cash your QCD check by December 31 to count for that tax year. This is because the funds must be withdrawn from your IRA by that date, and the cashing of your QCD check is what signifies that the funds have been disbursed.

Check with your own tax preparer or legal counsel to see how the regulations apply to your particular situation.
